

Geological Society of Australia

Australian Sedimentology Group

Research Grants

Applications now open for the GSA Australian Sedimentology Group Research Grants!

Applications are invited from
ASG members including
**Undergraduate, Honours,
Masters and PhD Students
and Early Career Researchers**
undertaking a sedimentology-
focused research project.

Grants may be used for:

- Field work costs**
- Laboratory associated costs**
- Research-related travel**
- Conferences (inc. digital)**
- Technology Development**
- Professional Development**

or any other reasonable
research-related cost.
Applications ranging from **\$500
to \$2000** are invited. A total of
\$5000 funding is available.

Recipients required to share research outcomes or experiences
through a short report for TAG, GSA's national magazine, and
produce a short video or other digital content to be featured online.

Applications are to be submitted to the ASG Australian Sedimentology Group Grant
Committee at australian.sedimentologists@gmail.com

APPLICATIONS CLOSE 5PM AEST 23 APRIL 2021
